Management's Responsibility for the Financial Statements - Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility - Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion - In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Kotzebue Broadcasting, Inc., as of June 30, 2018 and 2017, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

AUDITED FINANCIAL STATEMENTS JUNE 30, 2018 and 2017

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

<u>Nature of Activities</u> – Kotzebue Broadcasting, Inc. (KOTZ) is a non-profit public radio station incorporated to provide and promote noncommercial educational radio broadcasting in the Kotzebue region of Alaska. The financial statements are presented on the accrual basis of accounting. The more significant accounting policies are summarized below.

<u>Use of Estimates</u> – Management uses estimates and assumptions in preparing these financial statements in accordance with generally accepted accounting principles. Those estimates and assumptions affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities, and the reported revenues and expenses. Actual results could vary from the estimates that are used.

<u>**Revenue and Support**</u> – In accordance with FASB ASC 958-065, *Not-for-Profit Entities: Revenue Recognition*, contributions received are recorded as unrestricted, temporarily restricted, or permanently restricted support depending on the existence and nature of any donor restrictions. Support that is restricted by the donor is reported as an increase in temporarily or permanently restricted net assets, depending on the nature of the restriction. When a restriction expires, temporarily restricted net assets are reclassified to unrestricted net assets.

Financial Statement Presentation – The Organization has adopted FASB ASC 958-205 "*Not-for-Profit Entities: Presentation of Financial Statements*". Under FASB ASC 958-205 information regarding the Corporation's financial position and activities is reported according to three classes of net assets: unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets.

Donated Materials and Services – Donated materials and services meeting the criteria of FASB ASC 958-205 "*Not-for-Profit Entities: Presentation of Financial Statements*" are recorded at their estimated fair value as of the date of the contribution. The amount of the contribution is presented as both support and expense in the accompanying financial statements.

<u>Cash and Cash Equivalents</u> – For purposes of the statement of cash flows, KOTZ considers all demand deposits and highly liquid investments with an original maturity of three months or less to be cash equivalents.

Inventory – Inventory consists of unopened Games of Chance and is stated at cost on a first-in, first-out basis, as well as sweatshirts and membership premiums.

Property and Equipment – Property and equipment is recorded at cost or, in the case of donated property, at its estimated fair value as of the date of the contribution. The organization does not have a capitalization policy. Depreciation is provided using the straight-line method over the estimated useful lives of the property, which range from five to fifteen years. Expenditures for repairs and maintenance are charged against operations as incurred.

AUDITED FINANCIAL STATEMENTS JUNE 30, 2018 and 2017

NOTE 10 – COMMITMENTS and CONTINGENCIES

KOTZ receives grants that are subject to audit and adjustment by the grantor agencies. Any expenditure disallowed as a result of such an audit and for which grant monies had been expended would become a liability of KOTZ. At June 30, 2018 and 2017, no such audit was pending and the current management of KOTZ does not anticipate any such liability arising that would have a material effect on the financial condition of KOTZ.
